

## WHY TRAIN WITH US?

### Accessibility

Training sessions are open to all service companies regardless of Brand Source Service affiliation or Whirlpool service authorization.

### Flexibility

You choose the session that meets your training needs. Training sessions are designed for the inexperienced tech as well as the experienced tech.

### Experience

All training sessions are conducted by Whirlpool Product Training Specialists.

### Cost Effectiveness

Cost includes technical training manuals, materials, hands on product disassembly and diagnostic techniques, transportation from the hotel and lunch each day.

### Convenience

Training sessions are held in 4 easy-to-travel-to markets. This means less travel time and expenses.

### Leading Technology

You will train on current models utilizing the latest technical advances and innovations.
